IMPORTANT INFORMATION FOR AUTHORS

To be published in the IEEE WCNC 2011 Conference Proceedings and IEEE *Xplore*®, at least one Author of an accepted paper is required to register for the conference at the FULL Rate (R01, R02 or R03) and the paper must be presented at the conference. Non refundable registration fees must be paid prior to uploading the final IEEE formatted, publication ready version of the paper. For authors with multiple accepted papers, one full registration is valid for up to three (3) papers. Please do not share your registration confirmation code with anyone else. Although the code enables submission of up to three papers, it can only be used once, by you, to create an Author account. Accepted and presented papers will be published in the IEEE WCNC 2011 Conference Proceedings and in IEEE *Xplore*®.

IEEE reserves the right to exclude a paper from distribution after the conference (e.g., removal from IEEE *Xplore*) if the paper is not presented at the conference.

Student, Life Member and One Day registration is not valid as an author registration.

The **deadline** for Author registration is **Monday, 10 January 2011**.
